Re: COVID-Related Event Considerations

As you are undoubtedly aware of, the presence of COVID-19 in the United States has changed the way in which we can gather safely and has therefore changed the way in which special events can occur. Although we are currently observing a decline in the spread of COVID-19 and the rollout of vaccines, we are not in the clear yet and must continue to take precautions.

Many of the special events that occur within the Town of Southampton work hard to support some of the most vulnerable members of our community who are of the greatest risk from COVID-19. The events that occur help to raise funds that support many extraordinary services that are provided to our residents. In an attempt to assist organizations with their endeavor to raise funds for charities, the Town has created this document to steer applicants in the right direction so that they can identify requirements that might be in place from New York State for their particular type of event. You should consult the following areas and examine the guidance documents from the State that might apply to your particular type of event.

- 1) <https://forward.ny.gov/statewide-guidelines>. This site contains guidelines from NYS that must be followed for different industries/disciplines/activities.
- 2) <https://www.businessexpress.ny.gov/app/nyforward>. If your activity is not clearly identified in one of the guidance documents on the site above, you can utilize this page to lookup where your activity is placed under the State guidance.
- 3) <https://www.cdc.gov/coronavirus/2019-ncov/community/large-events/considerations-for-events-gatherings.html>. This site contains CDC recommendations and requirements for events and gatherings.

The plan that you submit with your application should be based on the location desired for the event and should include the size of the property, the topography, any wetlands that may be within the vicinity, emergency vehicle access information and traffic patterns. Your Special Event application and safety plan must be submitted to the Town Clerks Office for approval **PRIOR** to opening or operating any special event. The plan must include the following information:

Additionally, your plans should reflect the following information on top of normal information that is expected in the Incident Action Plan (IAP):

1. Steps being taken to strictly adhere to CDC guidance, Suffolk County Department of Health guidance, NYS guidance, as well as any other local COVID safety requirements.

2. Specific information about the location of sanitizing stations at the event.
3. Specific information about safety requirements that will be enforced at the event (i.e. COVID testing, face coverings, limits on people in one space at one time, controlled pathways of travel, sanitizing of equipment, seating and other spaces, etc.)
4. Specific information about who will be enforcing social distancing and other safety requirements on site/at the event (security, volunteers, police, etc.). Please note, that if this is a running or biking event that has a course, this information will need to refer to efforts that will be taken all along the course.
5. Please reference the applicable NYS guidance that your event falls under.
6. Any other pertinent information that relates to COVID-19 and associated safety actions.

All applications will undergo a review by the Town of Southampton and then, once determined to meet safety requirements by the Town, will be sent to New York State Department of Health for review. This process may take some time and your patience during the review process is greatly appreciated. The more information that is presented in your completed application; the greater likelihood of a smooth review process.

Applicants should understand that changes in COVID-19 positivity rates and other community spread factors may cause the Town, County or State to amend their approvals or requirements. The Town County, and State all reserve the right to amend or rescind any approvals in the interest of public safety, should circumstances change. Any approved applications must comply with the current guidelines and requirements at the time of the event.

Should you have any questions or concerns please contact the Southampton Town Clerks Office. We look forward to assisting you and working together to assure a safe season for all.

Sincerely,

Ryan J. Murphy
