# Appendix G

Photograph No. 1: View of the subject property along Majors Path, facing southwest.

Photograph No. 2: View of the main entrance driveway to the Southampton Racquet Club and Camp, at the center of its property frontage along Majors Path, facing southwest.

Photograph No. 3: Camp exit driveway (to be relocated and revegetated) at the center of the property frontage along Majors Path, facing west.

Photograph No. 4: View of the frontage of the subject property along Majors Path, including the area of proposed relocated camp exit (south of existing camp exit), facing northwest.

Photograph No. 5: Existing driveway for the southern parking area, along Majors Path, facing southwest. The existing driveway is to be revegetated and relocated to the south.

Photograph No. 6: Southern frontage of the subject property along Majors Path, including the area of proposed new access driveway to the southern parking lot (south of existing driveway), facing northwest.

Photograph No. 7: Existing gravel driveway adjacent to (east of) the Welcome Center (residence) at the subject property, and the gravel parking area to be expanded.

Photograph No. 8: View of the existing Dining Hall (north side) and associated deck, to be replaced.

Photograph No. 9: View of storage shed, Cottage 13, Cottage 6 and Dining Hall (left to right) within the central portion of the subject property.

Photograph No. 10: View along gravel surface drive, facing west towards Cottages 4 and 5 (to be removed).

Photograph No. 11: View facing north towards Cottage 11 and the location of proposed Cottage 14.

Photograph No. 12: Gravel-surfaced southern parking area to remain on southern portion of the subject property.

Photograph No. 13: Tennis courts to remain within the southern portion of the subject property.

Photograph No. 14: View of existing clubhouse deck, walls and steps, facing southwest.

Photograph No. 15: Tennis court to be converted to two pools, and pool to remain.

Photograph No. 16: Tennis court to be converted to basketball court and partially revegetated to increase buffer to adjacent residential property.

Photograph No. 17: Soccer field and surrounding vegetated buffer areas in the northwestern portion of the subject property, facing northwest.

Photograph No. 18: Southern limit of clearing along the south side of the tennis courts within the southern portion of the subject property.

Photograph No. 19: View north along Majors Path from the northern limit of the subject property. Land uses include single-family residential and open space (wooded).

Photograph No. 20: View of residential uses opposite the subject property along the east side of Majors Path, facing northeast.

## Southampton Racquet Club and Camp

Photograph No. 21: View facing south along Majors Path from the southern limit of the subject property. Land uses include single-family residential.

Photograph No. 22: View facing south across Little Fresh Pond toward the subject property from adjacent to Little Fresh Pond Road.

Photograph No. 23: View east along North Sea Mecox Road, south of the subject property. Land uses include single-family residential, a nursery and multi-purpose commercial.

Photograph No. 24: View of an automobile junkyard on Majors Path, approximately 1,800 feet south of the subject property.

## Southampton Racquet Club and Camp

Photograph No. 25: View north along North Sea Road at the intersection with Parrish Road. Various retail, dining, office and single-family residential uses are present.

Photograph No. 26: Entrance to the Shinnecock Tennis Club on Sandy Hollow Road, approximately one half-mile southwest of the subject property.

## Southampton Racquet Club and Camp

Photograph No. 27: Entrance to Sandy Hollow Day Camp on Sandy Hollow Road, approximately one half-mile southwest of the subject property.
