

Act TWO

Teen Community Theater

ACT TWO is a fun and engaging program free for teens in grades seven through twelfth. Learning theater skills helps youth develop confidence in making decisions in today's complicated world while teaching tolerance and respect for others. Participants will learn how to perform, write screenplays, and use improvisation. Performances are designed to teach peers issues that teens face every day, such as social awareness, mental and physical health, positive relationships, and how and where to seek help.

This program meets Thursdays at the Hampton Bays Public Library, 52 Ponquogue Ave in Hampton Bays from 6:00pm to 7:30pm. Performances are based on group participation so attendance is required for all sessions. Please call the Southampton Youth Bureau at 631-702-2421 for more information.
