

The Southampton Town Youth Bureau's

Youth centers are safe and supervised settings where young people can spend time with friends and peers. At our centers, there is the opportunity to socialize, go on trips, do crafts, do homework, attend special events, play games, talk to staff, hangout and have fun. Our competent and friendly staff are available as a resource to our youth to facilitate their participation in all our programs.

What is there to Do?

We have a pool table, ping-pong, play station, Wii, computers, lap tops, board games, books, television, movies, and homework help. There are snacks available for a very small cost. Special programs offer trips, fun events and a lot of time to talk and socialize with friends. Make plans to meet at the center and just have fun!!

A recent visitor commented, "Wow, I wish this was my room, wherever I turn my eyes I see something to do!"
