In order to assure the proper review of agencies requesting funding through the Community Development Block Grant (CDBG) Program, the Town of Southampton will review applications for funding on a merit-based system. Pursuant to federal regulations, all agencies applying for an award of

CDBG funds must comply with the following list of requirements before funding is considered (TOS, 2021)

All applications for the grant should be submitted to Diana Weir.

Any questions or concerns please contact her office at: 631-702-1731.

This is a great opportunity for the hamlet of Hampton Bays and its business owners.
