Signature: _____

Address: _____

*Any and all fill in excess of 20 cubic yards imported onto a parcel in connection with the issuance of a building permit must be clean fill as required by Southampton Town Code §123-48. Town Code § 123-47 defines CLEAN FILL as topsoil, loam, earth, sand, gravel, and other material such as wood in its natural or reprocessed state. Said material shall not contain wood creosote, coal tar creosote, coal tar, coal tar pitch, and/or tar pitch volatiles.

False statements made herein are punishable as a class A Misdemeanor pursuant to Section 210.45 of the New York State Penal Law.
