In an effort to facilitate the Outdoor Sidewalk Dining Application process as defined by Town Code Chapter 250, I am enclosing a copy of the application for your use. The Outdoor Sidewalk Dining Law was adopted May 26, 2009 by the Southampton Town Board. The applications will be submitted to and reviewed by the Chief Fire Marshal who shall have the authority to issue or deny a permit.

Please note some of the **important information** as follows:

This application form is required for a standard restaurant, as defined in Town Code Chapter 330-5, to use the public sidewalk to provide outdoor sidewalk dining

The business must be located in a building which directly abuts a sidewalk which is no less than ten (10) feet in width measured from the exterior wall of the building in which the business is located to the inside edge of the curb.

The sidewalk dining area shall be located directly in front of the building occupied by the licensed business, shall not extend more than six (6) feet from the exterior wall of the building, unless otherwise approved by the Chief Fire Marshal, and shall stay within the width of (shall not exceed beyond the width of) the building space occupied by the restaurant.

The sidewalk dining area shall be located so as to assure adequate space on the sidewalk for pedestrians utilizing the sidewalk. An unobstructed (such obstructions including, but not limited to, trees, signs, bicycle racks, utility poles, and planters) sidewalk width of at least six (6) feet shall be maintained for pedestrian use of the sidewalk.

All exits and means of egress from the business premises occupied by the licensed business shall be maintained and shall not be obstructed in any manner.

The sidewalk dining area shall be open to the sky, except that it may be covered only with a retractable awning. No advertising may be displayed on said awning other than the name of the licensed business.

The sidewalk dining area may be delineated by utilizing ropes. No objects shall be placed on the sidewalk dining area other than movable tables and chairs.

The sidewalk dining area may contain movable tables and chairs for outdoor dining. The number of outdoor dining seats within the sidewalk dining area shall not exceed 20% of the number of indoor dining seats lawfully provided by the licensed business on the business premises. During the period when outdoor dining seats are provided on the sidewalk dining area,

the number of indoor dining seats utilized by the licensed business shall be correspondingly reduced.

The term of such license shall be from May 1 to November 1. An Outdoor Sidewalk Dining License shall not be transferred or assigned by the licensed business.

The permitted hours of operation of a sidewalk dining area shall be from 7:00 a.m. to 11 p.m. Tables and chairs must be removed from the sidewalk by 11:30 p.m. and may not be placed on the sidewalk prior to 7:00 a.m. Tables and chairs must be removed from the sidewalk during inclement weather.

The sidewalk dining area shall not be used for any purpose other than the service of food and beverages (including alcoholic beverages) for consumption on the sidewalk at tables and chairs within the sidewalk dining area. The service of alcoholic beverages alone, without any food, shall be prohibited at the outdoor dining area.

The licensed business operating the sidewalk dining area shall be responsible for trash removal and shall maintain the public property on which they are located and surrounding 5 feet up to the road margin in a clean and litter-free manner during the hours of operation. Tables and chairs shall be maintained in good condition.

The applicant for an Outdoor Sidewalk Dining License shall be responsible for obtaining, maintaining in full force and effect, and complying with the terms and conditions of any permit which may be required under any other law or regulation for the serving of food and beverages, including alcoholic beverages, provided that such activity has been licensed by the State Liquor Authority pursuant to Town Code §89-4.

A sidewalk dining area shall not use any public amenities such as benches, seats, or trash receptacles provided for public use of the sidewalk.

Exterior lighting equipment that may present a tripping hazard is not permitted. Temporary electrical connections, such as extension cords, are not permitted. Exterior electrical lighting specifically designed for the sidewalk dining area is not permitted.

WHEREAS, the Town Board is considering enacting Chapter 250 of the Southampton Town Code to allow outdoor sidewalk dining within the Town; and WHEREAS, a public hearing was held on May 26, 2009, at which time all persons either for or against said enactment were heard; and WHEREAS, the Division of Fire Prevention has advised the Town Board that this proposed local law is considered a "Type II Action" under 6 NYCRR Part 617.5, provisions of the New York State Environmental Quality Review Act (SEQRA) and Chapter 157 of the Town Code, and that no further review under New York Conservation Law, Article 8, is necessary; now therefore be it RESOLVED, that Local Law No. 20 of 2009 is hereby adopted as follows: LOCAL LAW NO. 20 OF 2009 Southampton Town Board - Agenda Board Meeting of May 26, 2009 Page 25 A LOCAL LAW enacting Town Code Chapter 250 to allow outdoor sidewalk dining within the Town.
